web desaster

The screenshot shows the City of Melbourne website with a blue and white color scheme. At the top left is the City of Melbourne logo, a stylized 'M' made of green and blue geometric shapes. To its right is a horizontal navigation menu with buttons for: About Melbourne, Community Services, Arts & Events, Environment & Waste, Parks & Recreation, Parking & Transport, Business Services, Building & Property, and About C. Below the navigation menu is a large blue banner area. On the left side of the banner, there are three vertical panels: 'Quick links' with a list of services like Council and Committee meeting documentation, Parking fines, Permits, About rates, Employment online, Pay your rates, Tenders online, Melbourne Library Service, Council childcare waiting list; 'Have your say!' with links for Contact us, Consultations, and Your top 5 questions and form requests; and 'LanguageLink' with buttons for 廣東話 and Ελληνικά. On the right side of the banner, there is a 'Current Time: 20:20 PM' display. Below this are three content blocks: 1. 'Your City: Your Space online forum' with a graphic that says 'YOUR CITY: YOUR SPACE MAKING YOUR CITY SAFER yourcityspace.com.au' and text about an online forum for residents aged 12-25. 2. 'Protecting our trees this summer' with a photo of a large tree and text about a public information session. 3. 'Community Safety Day at Docklands' with a photo of safety equipment and text about a fun day at Harbour Esplanade.

video or vote on others' ideas.

Protecting our trees this summer
The City of Melbourne will hold a public information and question/answ
explore how best to help our drought stressed trees this summer and re
change. Eco-city Committee Chair, Councillor Cathy Oke, will host the
details.

Community Safety Day at Docklands
Melbourne's emergency and safety services are b
equipment to a fun day at Harbour Esplanade, Do
11am to 4pm. Get close to helicopters, boats, fire
vehicles. For full program details visit [That's Melb](#)
and do in the city.
