

# International Circle of Educational Institutes of Graphic-Media Technology & Management

July 2023

## Registration of IC members at the 54<sup>th</sup> IC conference in Wuppertal

Dear Colleagues, members of the IC,

After a fruitful discussion with the organizing committee of the joint iarigai/IC conference in Wuppertal, Germany, I am pleased to announce that a new registration option will be available for IC members, with lower registration fees under the name “**IC one day conference only**”. It applies for IC members only (colleagues from members institutions of the IC such as universities, educational organizations etc.). The fee has been set **to 350 Euros and it includes:**

- The attendance at the 54<sup>th</sup> IC conference on Tuesday, 19 September 2023, only (including welcome, possible keynotes, papers presentations of papers accepted and the IC general assembly).
- The ESMA / iarigai IC - Networking Day on Wednesday, 20 September 2023.
- The conference kit.

Gala dinner is not included in this special fee, but the colleagues willing to attend the Gala Dinner, have the possibility to register with the extra payment, available on the website.

If you want to use this registration option, please click on “Registration open” at this link: <https://www.dmt.uni-wuppertal.de/en/iarigai-2023/>

Of course, there is always the possibility to attend both conferences (iarigai and IC, including the evening reception and the Gala Dinner) with the already existing registration options.

We do hope that this arrangement will allow many colleagues to register and attend the conference in Wuppertal!

Please note that the early bird registration expires on 31<sup>st</sup> of July 2023.

**Anastasios E. Politis, Chairman of the IC**
