

# International Circle of Educational Institutes of Graphic-Media Technology & Management

December 2023, Oropos, Greece  
Anastasios E. Politis, Chairman of the IC

## IC NEWSLETTER Winter 2023 - Participation at drupa 2024

Drupa is the world's most important exhibition for the printing industry. It is held in Düsseldorf and is expected to showcase all the recent important developments and cutting-edge innovations and trends in the printing industry. Drupa will take place from 28 May to 07 June 2024.

Following the successful presence of the International Circle with a stand at drupa 2016 and at virtual drupa in 2021, IC will be present with a stand at drupa 2024 in hall 7.0.G01 (dna- drupa next age). IC acts as the main exhibitor of the stand and collaborates with the member (partner) institutes and organizations (non-profit). Together we will showcase innovations and developments in educational and research in the print, media, and packaging fields. Management and preparation for the stand are organized by the chairman of the IC Anastasios Politis and vice-chairman Gunter Hübner (HdM-Stuttgart).

The staffing of the stand is provided by HELGRAMED – the Hellenic Association of Graphic Arts and Media Technology Engineers.

## Invitation for IC members to participate at the IC stand

Partner universities, members, other educational and research institutions related with IC have the possibility to participate at the stand. Therefore, interested institutions must express their interest by filling the form at the end of the newsletter. A financial contribution of 300 euros is estimated for each organisation to participate. This includes materials needed for the stand, drinks, and snacks for the staff. Details for this fee payment will be provided later, in the beginning of 2024.

The deadline for expressing the interest in participating at the IC stand is **10 January 2024!!**
