Entrepreneurship in Education

What is it about?

Entrepreneurship in Education is about inspiring entrepreneurial potential. People need the mind-set, skills and knowledge to generate creative ideas, and the entrepreneurial initiative to turn those ideas into action.

Social Entrepreneurship Is Bringing Purpose To Higher Education

ARTEpreneur
art + research + education

Entrepreneurship is also high on the Artevelde agenda

- ACCIO (Artevelde Center of Creativity, Innovation and Entrepreneurship) was established in 2011
- ACCIO is a Business Accelerator and Mentorship program, launched to boost innovation, entrepreneurship and growth of startups:
 - Coaches students with innovative ideas
 - Organises workshops to increase creativity and innovative thinking
 - Brings students and entrepreneurs together
 - Creates synergies between students from different departments

17 Dutch Degree programs

5 International semester programs

4 Advanced Bachelor programs

13 Postgraduate Degrees

Master in co-operation with UGent

And also high on the Department's agenda...

- In the Department of Graphical and digital media
 - Special theoretical and practical courses on entrepreneurship
 - Joint projects with other departments to promote co-creation
 - Many lecturers combine a private company with a teaching job
 - In the last year of the programme, a student must demonstrate his capability as an entrepreneurial professional

Support and guidance

Basic knowledge business admin?

How to make an invoice?

How to start accounting?

How to work out a business plan?

How to draw up a marketing plan?

How to improve your business model?

How to finance your project?

Licence to start a business?

Social security and taxability

Social security?

Loss of child allowance?

Responsibility of the parents?

Study allowance?

Compensation for any disability?

Grey market?

Financial and others risks and responsibilities?

CENTRUM VOOR ONDERNEMEN: GEEFT JE IDEEEN VLEUGELS

ARTEpreneur
arteveld hogeschool

Artepreneur = co-operative company with limited liability and a social purpose

- You need to have customers and your business model must be reviewed by a panel of specialists prior to admittance
- Participating students must be willing to share experiences
- By using legal entity of the co-operative (business number, billing address, etc.) students can send out invoices without losing their child or study allowance, disability benefits, etc.
- All profits go the student entrepreneur minus a small compensation for the co-operative

Thank you

- Jeffrey Tiberghien - Project: **Tremble Solutions**, Student
Grafische en Digitale Media, Arteveldehogeschool

Project: Tremble Solutions - <http://www.tremble-solutions.be/> - Jeffrey maakt websites en in de toekomst ook apps op vraag van de klant om zo tegemoet te komen aan de groeiende digitalisering van de maatschappij, en dit op een zeer laagdrempelige manier voor de klant.

Motivatie instap ARTEpreneur: *'Klanten willen graag een factuur, maar ik heb niet genoeg projecten om dit zonder ARTEpreneur al te kunnen bolwerken. Verder biedt SAMEN ONDERNEMEN MET ANDEREN een meerwaarde: zo kan je zien hoe medestudent-ondernemers het aanpakken en zo kan je leren van mekaar. ARTEpreneur is voor mij dé ideale manier om te durven ondernemen en toch nog een vorm van veiligheid te hebben'.*
